**RAMSEY GOLF & COUNTRY CLUB
105 LAKESIDE DRIVE
RAMSEY, NJ 07446 • 201-327-0009
www.ramseycountryclub.com**

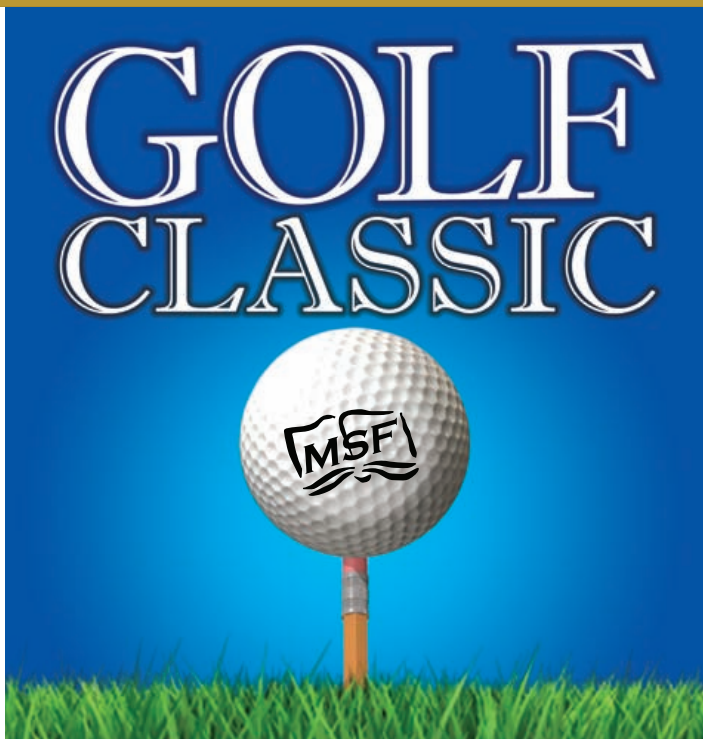

Please allow me to personally invite you to join us for the Mahwah Schools Foundation (MSF) 12th Annual Golf Classic. This year, we are very excited to be hosted by the Ramsey Golf and Country Club for the first time. As part of the Golf outing, we continue to have a Ladies Only Luncheon as well. We look forward to your joining us for this year's event, and we thank you for your continued support of the Mahwah Public Schools.

The Mahwah Schools Foundation is an organization that was started in the year 2000 by a group of parent volunteers who were committed to promoting creativity, excellence and innovation within the Mahwah public schools. The MSF is comprised of an Executive Board and Trustees who work together with educators, local businesses, parents, and the larger Mahwah community to provide supplemental funding that is beyond the annual school board budget. Over the years, the function of the Foundation has become increasingly important particularly as school board budgets have experienced caps and restrictions and significant cutbacks on the state level. The monies that we raise from our fundraising efforts are distributed to the schools in the form of grants. These grants are awarded in the Fall and Spring of every year. Over the last few years we have been supporting the advances of technology within the classroom with our grants for Promethean boards, LCD projectors, and laptop computers while continuing to support such mainstays as Author Day, Science Day, and a variety of speakers and assemblies. In 2009, we gave back our one millionth dollar in grant monies to the Mahwah public schools.

With the support of organizations like the MEA, Mahwah BOE and the administration, and principals and teachers in our schools, our combined efforts have resulted in more monies and better programming for our children. We would like to give special recognition and thanks to Dr. Charles Montesano who has partnered with the MSF during his tenure as Superintendent of Schools to ensure that technology and creative programming have been at the forefront of the schools as we enter the 21st century. We wish him well in his retirement, and his future endeavors. In addition, we would like to recognize and thank Dr. Patricia Hanratty, Principal of George Washington Elementary School, who has been a tireless advocate of the MSF from its origin, and has selflessly offered her wisdom and support over the years. We wish her all the best as she enters retirement and a new chapter in her life, and we look forward to working with her post-retirement. We would like to also thank Catherine Bennett, Principal of Betsy Ross Elementary School, who has served as an Advisor to the MSF. We thank her for her service, dedication, and support of our efforts over the years. We wish her good luck with retirement.

On behalf of the children of the Mahwah public schools we sincerely thank you again for your continued generosity! Every dollar counts as we strive towards excellence in our public schools!

Prema Moorthy
MSF President
